## **NORTH LOOP NEIGHBOORD ASSOCIATION RESOLUTION OF SUPPORT FOR MAJOR LEAGUE SOCCER**

---

The North Loop Neighborhood Association strongly supports the current and on-going City of Minneapolis negotiations proposed to attract the Major League Soccer Stadium and associated development to our neighborhood. Soccer would be a welcome addition to the neighborhood and enhance the existing sports and entertainment district.

**THEREFORE, BE IT RESOLVED** that the North Loop Neighborhood Association endorses a plan for the McGuire group's goal for a farmer's market area stadium development and encourages City of Minneapolis officials to conclude negotiations without delay.

Sincerely,  
North Loop Neighborhood Association
