PLEASE COMPLETE THE FOLLOWING QUESTIONS, CHECK "YES" OR "NO." **Attention:** If you answer "yes" to any of the questions, further assessment will be needed by the nurse.	**Y**	**N**
1. Does the person to be vaccinated have any allergies to medications, eggs, or a vaccine component?		
2. Has the person to be vaccinated ever had a serious reaction after receiving a vaccine?		
3. Has the person to be vaccinated had Guillan-Barre Syndrome within 6 weeks of a flu vaccination?		
4. Has the person to be vaccinated already received the flu vaccine for this flu season?		
5. Is the person to be vaccinated presently ill with a fever, sore throat, or cough?		
6. Is the person to be vaccinated 65 years or older?		
Only answer questions 7 – 16 if you are interested in receiving the FluMist nasal spray.		
7. Is the person to be vaccinated younger than 2 years or 50 years or older?		
8. Does the person to be vaccinated have any of the following: HIV, cancer, organ or bone marrow transplant, rheumatoid arthritis, Crohn's disease, multiple sclerosis, Lupus, psoriasis, or reduced immune activity?		
9. Does the person to be vaccinated take any medication that affects the immune system such as prednisone, azathioprine (Imuran), cyclosporine, methotrexate, rituximab, Orencia, or Remicade?		
10. Is the person to be vaccinated in close contact with anyone whose immune system is severely compromised?		
11. Has the person to be vaccinated received any vaccinations in the past 4 weeks?		
12. Has the person to be vaccinated received influenza antiviral medications in the past 48 hours?		
13. Is the person to be vaccinated pregnant or you could become pregnant in the next month?		
14. Does the person to be vaccinated have a long-term health problem with heart disease, lung disease, asthma, kidney disease, metabolic disease (e.g. diabetes), anemia, or other blood disorder?		
15. Is the child between 2 and 4 years of age, and has been told they have wheezing or asthma?		
16. If under 18 years, does the person to be vaccinated receive aspirin therapy or aspirin-containing therapy?		

I had an opportunity to review the CDC VIS for influenza vaccine today and ask questions and received answers to my satisfaction. I understand the benefits and risks of the vaccination and expressly authorize a nurse to administer the vaccine to me. I hereby release Hennepin Health Systems (HHS) dba MVNA, its officers, employees, agents; and North Loop Neighborhood Association, (company name), its officers, employees, and agents from any and all liability that might arise from vaccination on behalf of me, my heirs and personal representatives. I acknowledge that a copy of HHS dba MVNA's Notice of Privacy Practices is available to me, which provides an explanation of the way in which my health information may be used or disclosed by HHS dba MVNA and of my rights with respect to my health information. **I understand I am financially responsible to HHS dba MVNA for any balance not covered by my insurance company(ies) indicated above.**

Relationship to patient: ☐ **Self OR 6 months – 18 years:** ☐ **Mother** ☐ **Father** ☐ **Other** _____
If not "self", I am the child's parent, authorized representative, or legal guardian and can provide effective consent for this immunization. If applicable, I authorize my child's school to designate a responsible adult to be present at the immunization and to provide direction or assistance if needed.
