Thank you for submitting your comments on the Draft Route Modification Report released in December 2021. We are hosting a virtual information session to share how your comments are shaping the recommendation of a community supported route for later in the spring of 2022.

SUBMIT YOUR QUESTIONS TO THE PROJECT TEAM!

Send us your questions ahead of time at BlueLineExt.org and we'll answer them at the meeting.

If you can't make the meeting, you can view meeting materials and watch the recording on the project website.
